Work in progress

“Voices from the far right: a text analysis of Swedish parliamentary debates”, working paper, SocArxiv, (under revision)[With Måns Magnusson, Katarina Barrling and David Mimno]

“Know thy neighbor: the electoral impact of where politicians live”, unpublished manuscript. [With Gissur Ó. Erlingsson].

OTHER

I have served as a referee for journals such as European Journal of Political Research and Journal of Comparative Policy Analysis. Furthermore, I have presented papers at conferences such as European Group for Public Administration (EGPA), European Consortium for Political Research (ECPR), Political Studies Association (PSA), Midwestern Political Science Association (MPSA) and American Association for Public Opinion Research (AAPOR). I have also served at the editorial board of Statistics Sweden’s magazine Valfärd [Welfare] 2005-2006.

I have experience of using statistical softwares such as SAS, SPSS, Stata and R, and also Python.
